

Day 2 Monday 17 September

There are six states competing at this year's National Championships, North Queensland, South Australia, Victoria, Queensland, New South Wales and Western Australia.

Monday's shooting program comprised official practice for all teams at 300, 600, 800 and 900 metres.

The day's temperature was forecast between 15-18 deg with cloudy periods. Again the chill factor was there with the southerly wind gusts between 15-41km/h

The new dining facility on the range was certainly put to good use allowing shooters to sit in relative comfort whilst eating their lunch away the gusting wind.

The first of the Championship matches, the Bruce White Memorial, was shot Monday afternoon commencing 3.45pm after the last 800m practice.

Victoria ended up in second place on 367.32 with New South Wales taking the win on 370.41
